

Come JOIN US!

The Poulsbo Marine Science Center invites you to become a MEMBER and dive in to the fun and excitement!

As a member you'll have the pleasure of knowing that you are supporting Kitsap County's No. #1 Science Education facility, dedicated to our fresh and salt water habitats and the fascinating animals that depend on them. Members receive electronic notices of special MSC events, and happenings around the Sound and in our waters, so please include your email.

If you're interested in becoming a member, fill out the form below and mail it To Bettye J. Shifrin, Executive Assistant
PO Box 408, Keyport, WA 98345.

Please make your check payable to the *Poulsbo Marine Science Foundation*, a nonprofit, tax exempt 501(c)(3) corporation, FEDERAL EIN #20-25777803.

WISH TO VOLUNTEER?

In the meantime, don't forget that we also need Volunteers, who are our mainstay. You don't need any previous experience or knowledge of marine life. You need only have a desire to help others understand the marvels of our surrounding waters. You may become involved in fish feeding, docenting, helping with special educational programs for all ages, doing clerical work, carpentry, artwork, diving, publicity, or any of a dozen other tasks. We'll teach you what you need to know!

Please contact our Volunteer Coordinator, Denise Bauman, at denise.bauman@gmail.com or (360) 689-9183 if you'd like to "get your hands wet"!

NOTE: This form is designed to be filled in on your computer.
